Dear HUNT participant

Thank you for taking part in this health study. We ask that you complete this questionnaire. Though some of the questions are similar to questions you have previously answered, it is important that you answer all the questions. The information will be used in research and preventative health care. Researchers will only have access to anonymous information; this means that the information cannot be traced back to the individual participants.

Please complete the questionnaire and send it in as soon as possible. Postage is paid.
