

We want you! Volunteers!

Hello!

We have an exciting opportunity to volunteer at our art exhibition for Pollution Pods (more information here: <https://www.climart.info/news/>), which is part of the Starmus festival, between the 17th of June to the 7th of July at specified time slots. We will research the effects of the artwork on participants and will need your help!

The tasks include handing out questionnaires, making sure visitors are well while experiencing the pods, and just generally helping the experience unfold as smoothly as possible. We may also need a night manager: perhaps someone who wants to camp on or nearby the site to make sure the artworks are kept safe.

The benefits to you:

- Meeting likeminded individuals, who are interested in the connecting point between art and science
- Spending time in the exciting buzz of the Starmus festival
- Get up close and personal with a unique artwork by artist Michael Pinsky, and be one of the first to experience the effects of pollution around the world
- Contribute to research on pollution and climate change
- Get experience with data collection, or see what is involved in the process!
- Volunteers will receive a food voucher from Persilleriet or Stammen (own choice)

We would appreciate your support at the following times:

1. Saturday, the 17th of June, from 18:00 to 22:00 o'clock, for the festive opening of the artwork
2. Saturdays, the 24th of June and the 01st of July from 12:00 to 20:00 o'clock
3. Sundays, the 18th of June, the 25th of June and the 02nd of July from 12:00 to 18:00 o'clock

To sign up as a volunteer, just follow these steps:

1. Send us an email (Liselotte.roosen@ntnu.no and laura.sommer@ntnu.no) and we will send you a link to a sign-up sheet, where you can check in for your preferred times!
2. We will send you a reminder email prior to the start of the festival with the full schedule.
3. Show up on the day(s) and enjoy!
