

VolumeScope instrument use

CMIC offers discounted prices for bigger research projects. This is mainly intended for users with many blocks for acquisition using Teneo VolumeScope. The acquisition will be performed by EM staff. Table below is showing total price for Volumescope (not including costs for preparation].

Experiment type:	Price, 1 run	Price, 2 runs	Price, 3 runs	Price, 4 runs
Small*	14000	24000	33000	42000
Medium*	25000	43000	57000	71000
Large*	33000	58000	76000	95000

*

Small: 2-4 days (<96 hours instrument usage)

Medium: 4-7 days (<168 hours instrument usage)

Large: 7-x days (>168 hours instrument usage)

- We offer 30% discount for run nr. 2, and 50% discount for run nr. 3 or more. See table for price examples.
- We do not offer discount on technical assistance and reagents/consumables.
