

Scandinavian network for building up the scientific capacity of woman researchers in design

PROGRAM kick off meeting

Wednesday 22nd February 2012

13.00 - 13.20	Welcome and introduction (Coffee and cookies)
13.20 - 14.00	Presentation of participants
14.00 - 14.20	<i>Not one of the guys – female researchers in male dominated disciplines</i> Svandis Benediktsdottir, Gender Equality Adviser, Norwegian University of Science and Technology
14.20 - 14.40	Discussion
14.40 - 15.10	Warm up activity: “Have you ever”
15.10 - 15.30	Coffee break

Design research:

15.30 - 15.50	<i>Presentation of projects</i> Kirsi Laitala, PhD candidate, principal engineer, SIFO - National Institute for Consumer Research
15.50 - 16.10	Gry Ringseth, PhD candidate, Oslo and Akershus University College of Applied Sciences
16.10 - 16.30	Anna Thies, PhD candidate, Stockholm University, Sweden
16.30 - 16.50	Ida Nilstad Pettersen, PhD candidate IPD, NTNU
18.00 - 20.00	Dinner (MAP)

Thursday 23rd February 2012

Everyday challenges: Some examples

9.00 - 9.20	Julia Schlegel, PhD candidate, Oslo School of Architecture and Design, (On Industry PhD)
9.20 - 10.00	Brita Flavad Nielson, PhD candidate, IPD, NTNU
10.00 - 10.20	Marikken Høiseth, PhD candidate, IPD, NTNU
10.20 - 10.40	Coffee break
10.40 - 11.00	Hilde Berntsen, PhD candidate, IPD, NTNU (On project work)
11.00 - 12.00	Discussion: How to meet the challenges of doing research connected with departent policies and decisions?
12.00 - 13.00	Lunch

Career development: Possibilities and obstacles

13.00 - 13.20	Dr. Kristin Wigum Støren, Self-employed Industrial Designer, GAIA Trondheim
13.20 - 13.40	Dr. Kjersti Schulte Øverbø, Post-doc at the Scholar Department for Industrial Economics and Technology Management, NTNU
13.40 - 14.00	Prof. Ingrid Bouwer Utne, Department of Marine Technology, NTNU
14.00 - 14.20	Ass. Prof. Martina Keitsch, Department of Product Design, NTNU
14.20 - 15.00	<i>Mentorprogramm at NTNU</i> , Svandis Benediktsdottir, Gender Equality Adviser,
15.00 - 15.30	Coffee break
15.30 - 16.30	Discussion on career development with speakers

Friday 24th February 2012

Round table discussion: All participants

09.00 – 12.00

Introduction to the round table and its objectives and group discussion

Task 1: Discuss the status quo in the departments and identify main issues to be discussed in a Scandinavian design researchers' network for women.

Task 2: Define research and political themes and tasks for a network.

Task 3: Identify core network activities and responsibilities.

12.00 – 12.30

Conclusions and perspectives for the network and further steps

12.30 – 13.30

Lunch and closure

PARTICIPANTS

	<i>Name and affiliation</i>	<i>Area of research:</i>
1	<i>Kirsi Laitala, PhD candidate, SIFO - National Institute for Consumer Research, Norway</i>	<i>Sustainable clothing design and consumer practices</i>
2	<i>Gry Ringseth, PhD candidate, Oslo and Akershus University College of Applied Sciences</i>	<i>Material research and its expressions</i>
3	<i>Anna Thies, PhD candidate, Stockholm University</i>	<i>Healthcare innovation through design methods</i>
4	<i>Ida Nilstad Pettersen, PhD candidate, IPD, NTNU</i>	<i>Design for sustainable everyday practices</i>
5	<i>Brita Flavad Nielsen, PhD candidate, IPD, NTNU</i>	<i>Design for self-reliance</i>
6	<i>Hilde Østerås Berntsen, PhD candidate IPD, NTNU</i>	<i>Collaborative design</i>
7	<i>Marikken Høiseth, PhD candidate, IPD, NTNU</i>	<i>Design for Healthcare</i>
8	<i>Martha Rice Skogen</i>	
9	<i>Hilde Berntsen</i>	
10	<i>Julia Schlegel, PhD candidate, Oslo School of Architecture and Design (AHO)</i>	<i>Visualization and representation in architecture and design</i>
11	<i>Astrid Heimer, PhD candidate, Oslo and Akershus University College of Applied Science</i>	<i>Design workshops, materials and their didactics</i>
12	<i>Kjersti Schulte Øverbø, Post-doc Scholar, Department for Industrial Economics and Technology Management, NTNU</i>	<i>Packaging design, design management, industrial networks</i>
13	<i>Svandis Benediktsdottir, Gender Equality Adviser, Central Administration, NTNU</i>	<i>Gender Equality Adviser</i>
14	<i>Ingrid Bouwer Utne, Department of Marine Technology, NTNU</i>	<i>Systems engineering, safety, maintenance</i>
15	<i>Kristin Støren Wigum, Industrial Designer Gaia, Trondheim</i>	<i>Eco design, stakeholder involvement</i>
16	<i>Martina Maria Keitsch, Ass. Professor, IPD, NTNU</i>	<i>Sustainable design, design theory and research</i>
17	<i>Sigrun Lurås, Oslo School of Architecture and Design (AHO)</i>	<i>Systems Oriented Design</i>
18	<i>Eirin Marie Skjøndal, Department of Engineering Design and Materials, NTNU</i>	<i>Innovative technology in Seafood industry</i>
