

Tekst, bilde, lyd og rom (TBLR).

Text, Image, Sound, Space. Norwegian Researcher Training School

The World, the Text, and the Machine

PhD and Research Seminar, October 7-9, 2026
Humboldt-Universität, Berlin/Felleshus der Nordischen Botschaften

Application form

- Name
- Affiliation
- Address
- Private address
- E-mail address
- Telephone
- Supervisor
- Title of your ongoing PhD project
- A few lines about what makes the seminar relevant for your PhD work
- At what other TBLR-courses have you participated?

Deadline 4th of September

Application is to be send to Knut Ove Eliassen (knut.eliassen@ntnu.no)

NB: A limited number of places are available. If the number of applicants exceeds the available places, the following selection criteria will be applied: (1) How early you submitted your application, (2) The relevance of the project to your PhD thesis, (3) Your home institution and the number of PhD students coming from your home institution (we try to involve as many of the funding institutions as possible), (4) earlier participation in TBLR courses.
