- **MERGER IN 2005**
  - Technical University
  - Engineering School
- **LATER ADDITIONS**
  - Sport Science, Psychology

# **HISTORY**

# **REYKJAVIK UNIVERSITY**

**School of Science and Engineering**  
**Reykjavik University**  
**ICELAND**

1. School of Business
2. School of Computer Science
3. School of Law
4. School of Science and Engineering
  - Mechanical and Electrical Engineering
    - *MSc Electrical Engineering, 120 ECTS, in English)*
    - → *Electric Power Program*
      - Iceland School of Energy*
      - *MSc Sustainable Energy Engineering (120 ECTS, in English)*
  - Biomedical Engineering
  - Civil Engineering
  - Financial & Management Engineering

**School of Science and Engineering**  
**Reykjavik University**  
**ICELAND**

**→ → Electric Power Program**

**Group**

**Mohamed Abdel-Fattah**  
Assistant Professor  
Electrical Power Systems  
Protection

*Currently, 1 PhD and 10 MSc students*

**Collaboration:**

**Ragnar Kristjánsson**  
Assistant Professor  
Electrical Power Systems  
Analysis ...

**Kristinn Sigurjonsson**  
Assistant Professor  
Electrical Machines and  
Power Electronics
