CHECKLIST
for International Students

Autumn 2021

NTNU
Norwegian University of Science and Technology
KEEP CALM
AND
READ THE CHECKLIST
In this booklet you will find information about what you need to do as a new student at NTNU, and newcomer to Norway. We suggest you follow the steps in the order listed on page 4 and 5. You will find more information about each step on page 6 to 18.

It is your responsibility to make sure you complete all the necessary steps, so please read this booklet thoroughly. Keep in mind whether you are full-degree student or exchange student/free mover, and whether or not you are an EU/EEA citizen. Follow the colour coding below to see what information applies to you.

We know that this might seem a little overwhelming, but there will be information meetings during Orientation Week where it will all be explained. If you are still unsure about what you need to do after having read the Checklist and attended the information meeting/seen the information video, you are welcome to contact the Office of International Relations.

Most necessary steps are done online, and should be no problem. However, the COVID-19 pandemic will affect a number of things during your stay, including the instructions laid out in this booklet. Please stay updated on ntnu.edu/corona and make sure you have thoroughly read the arrival guide at www.ntnu.edu/web/living-in-trondheim/arrival-in-norway-covid-19

Best of luck with your stay at NTNU and in Norway!

Students in Gjøvik and Ålesund: Note that this booklet is normally handed out in Trondheim. Some of the information may therefore differ slightly for you. See https://innsida.ntnu.no/en/ny-student for campus specific information.

Colour-codes

The Checklist is colour-coded to make it easier to identify which information is relevant for you. Please note that by master’s students we refer to students enrolled in a full degree at NTNU. If you are not here as a degree student, please follow the information for exchange students, even if you are attending courses at the master’s level.

Go to Studentweb and:
- Log in with the 11-digit ID number and 4-digit PIN code
- Register your current address
- Pay the semester fee. (Not applicable for exchange students from partner institutions.)

Activate your NTNU user account. You need this to get access to the NTNU systems. Activate your account and generate your password at bas.ntnu.no

Log in to Innsida and Blackboard to stay updated on deadlines, news, events and messages from your lecturers.

Download the Student ID app on your mobile phone, and log in with your username and password.

Collect your student card (after arrival in Norway). You need to show the Student ID-app and official ID-document (passport or EU identification card).

Register for courses and exams in Studentweb before the deadlines 15 September and 1 February.

Additional steps for exchange students regarding changing courses and learning agreements, arrival and departure confirmations.
IMMIGRATION MATTERS

Police appointments
All students need to register with the police to stay legally in Norway. NTNU will arrange group appointments in January/February for students in Trondheim.

After this appointment you will receive your residence card (non-EU/non-EEA) or a registration certificate (EU/EEA).

If you are staying for less than 6 months, you have now completed all the steps needed to take to stay legally in Norway.

Norwegian ID number
Students staying more than 6 months will need to get a national ID number from the National Population Register.

Compulsory health check for some students
Immigration regulations require that citizens from some countries must be tested for tuberculosis if they are staying more than three months in Norway.

OTHER MATTERS

Deposit account (non-EU/non-EEA) 14
Bank account 14
Tax card 15
Codes for online public services (MinID) 15
Health insurance/National insurance (NAV) 16
Private insurance policy 17
Personal physician (fastlege) 17
Registration of address to the postal service 18
Moving within Norway 18
Leaving Norway when you finish your studies 18
1 GO TO STUDENTWEB.NTNU.NO

ID NUMBER AND PIN CODE
A few days before semester start, you will receive two emails; one with an 11-digit ID number, and one with a 4-digit pin. Do not share this information with others. The 11-digit number is generated by NTNU, and cannot be used as an ID number outside the university. If you have not received the codes by email, please contact the Office of International Relations. Note that you will need the ID number and PIN for ordering your transcript after your student status at NTNU has expired.

REGISTER YOUR SEMESTER ADDRESS
Register your home address (where you will be staying, not your place of quarantine) as your semester address in StudentWeb. If applicable, remove the default address (NTNU, Office of International Relations) and the information from the c/o field.

PAY THE SEMESTER FEE
Master’s degree students and free movers must pay the semester fee, even if you are not taking any courses. You will find the invoice on StudentWeb. Pay through internet banking or take the invoice to your local bank. Make sure the KID number is mentioned somewhere on the payment and that you keep the receipt. Exchange students should not pay the semester fee. Deadlines:

- Autumn semester: 15 September
- Spring semester: 1 February

2 ACTIVATE YOUR USER ACCOUNT
Activate your NTNU account at http://bas.ntnu.no. This will give you access to all of NTNU’s digital services such as email, internet, and your student ID app.

You will need the following:
- The 11-digit ID number sent by email
- The 4-digit pin code sent by email
- Your 6-digit student number, which can be found on StudentWeb

Note that it can take a day or two before your account is activated and you can use it. Contact Orakel Support Services at orakel@ntnu.no if you encounter any problems.
3 LOG IN TO INNSIDA

Innsida is NTNU’s intranet. It is your gateway to important systems and helpful information about the university and services. The waffle icon in the upper left corner provides quick access to popular systems. Find articles via search or using the topic-link to the right of search. You can log in the day after your user account is active: https://innsida.ntnu.no/

4 LOG IN TO BLACKBOARD

You will find messages from your lecturer and course related materials in Blackboard once your lecturer activates the course e-room: https://innsida.ntnu.no/en/bb-student

5 & 6 STUDENT IDENTIFICATION

As a student at NTNU, you need both a Student Card and a Student ID app. The Student Card serves as both an access card and as a printer/library card, while the Student ID app shows that you have paid the semester fee. In general, you will need both your Student Card and the app in order to prove you are a student.

STUDENT ID APP

The Student ID app shows that you have paid the semester fee.

1. Download the “Studentbevis app” from the App Store or Google Play
2. Log in to the app: Choose the affiliation NTNU, and log in with your regular NTNU username and password.

The app, as proof of paid semester fee, is required for any student discounts, including public transport. The app will only require internet access when you download it, and on the first log in. If you do not have a smartphone, you can order a paper version via Studentweb (semester receipt). If you are an exchange student from a partner institution, the app will work as if you have paid the semester fee.

STUDENT CARD (AFTER ARRIVAL IN NORWAY)

The Student Card serves as both an access card and as a printer/library card. To get your card you need to take a photo in the photo booth in one of the locations in the link below. Also bring your Student ID app and official ID such as your passport.

Your student card is not valid as a student ID. You will need the student ID app in addition. Pick-up locations and more info: https://innsida.ntnu.no/en/studentkort
7 COURSE AND EXAM REGISTRATION

Deadlines for course and exam registration
Autumn semester: 15 September
Spring semester: 1 February

Deadlines for special exam arrangement
Autumn semester: 15 September
Spring semester: 15 February

If you have a chronic illness, a disability or an injury, NTNU can provide special accommodations for exams if needed: https://innsida.ntnu.no/en/tilrettelegging

Deadline for cancelling your exam
14 days before the examination date. You will find the exact date in Studentweb.

EXCHANGE STUDENTS AND FREE MOVERS

You are not registered for any courses on arrival. The course approval you received prior to arrival at NTNU is only a preliminary approval. To register for these courses you must follow the procedures below.

1. Log on to Studentweb: https://studentweb.ntnu.no
2. On Studentweb: Register for both classes and exams. You will not be able to take an exam unless you register for both. Free movers must first pay the semester fee.
3. To take courses with open admission, which you have not been pre-approved for, you need to check that you have the right prerequisites (academic background). If you are eligible, you can register for the course using StudentWeb.
4. To take courses with restricted admission you must talk to the relevant department/faculty for approval before 15 September and see if they can register you. If they cannot register you, have them sign the restricted course approval form and email it the Office of International Relations well ahead of the deadline: https://innsida.ntnu.no/wiki/-/wiki/English/Register+for+courses+and+exams
5. It is your responsibility to make sure your exams do not conflict/collide. Do not select courses that have exams on the same day - you will not be able to take both.
6. If you have any questions, please contact the Office of International Relations.

MASTER’S DEGREE STUDENTS (FULL DEGREE STUDENTS)

1. Log on to Studentweb: https://studentweb.ntnu.no
2. Register both for classes and exams. You will not be able to take an exam unless you have registered for both the class and the exam.
3. If you have any questions, please contact your faculty.
ADDITIONAL INFORMATION FOR ERASMUS EXCHANGE STUDENTS

ARRIVAL CONFIRMATIONS
If you need an arrival confirmation, please send an email to the Office of International Relations. Note that NTNU uses a standard arrival confirmation.

Due to the COVID-19 pandemic, the Office of International Relations is closed to visitors - arrival confirmations and other necessary documents will be handled digitally.

CHANGING COURSES AND LEARNING AGREEMENTS
If your Learning Agreement has not been signed, or you have changed your courses, you will need to have it signed by the Office of International Relations.

You can change your courses up until the deadline stated on page 8. It is your responsibility to make sure you are eligible to take the new courses. After 1 February you can send your Learning Agreement to exchange@st.ntnu.no to have your changes approved.

You only need to update the second part of the Learning Agreement (the part that says “Changes to the original” or “During the mobility”, or similar), not the entire agreement.

DEPARTURE CONFIRMATION
When you finish your stay at NTNU you may email the Office of International Relations to request a Departure Confirmation. You cannot request it sooner than 5 days before you leave.

We only sign a standard Departure confirmation issued by NTNU. This, along with your NTNU transcript serves as proof of attendance for your exchange at NTNU. We therefore do not sign the “after the mobility” part of the Learning Agreement.

TRANSCRIPT OF RECORDS
NTNU does not automatically send the transcript to your home institution. You are responsible for ordering the transcript online yourself, via StudentWeb. You will need the initial ID-number and PIN to retrieve your paper transcript after you have left NTNU.
1 POLICE APPOINTMENTS

You will need to register at the Police Station to get a residence card or a registration certificate. NTNU will commonly organize group appointments for this. You will have to book an appointment with the police through NTNU - you will receive further information from the Office of International Relations when the semester starts. Students in Gjøvik and Ålesund will receive information on appointments via their local international coordinator.

RESIDENCE CARD (NON-EU/NON-EEA)

Students in Gjøvik and Ålesund must book their own appointments.

Students in Trondheim

To the appointment at the Police Station you must bring:
- Passport (must be valid for the period you intend to stay in Norway)
- Admission letter to NTNU
- Valid health insurance
- The ID document you used when registering your application on www.UDI.no

You must have completed your application via www.UDI.no before the police appointment. Double check that you have fully completed your application before your appointment.

You will receive an email when your residence card is ready to be picked up. This will take approximately two weeks.

Please note that the registration must be done in person - you cannot register digitally. You may be required to show up to another facility than the Trondheim Center Police Station. This will be made clear when you receive the time for your appointment.
REGISTRATION CERTIFICATE (EU/EEA CITIZENS)

If you are an EU/EEA citizen staying in Norway for more than three months, you will need to register as a part of the registration requirement scheme for EU/EEA nationals*.

1. Fill out an application at www.udi.no You should do this after arriving in Norway, but at least 24 hours before your meeting with the police.

2. Get your registration certificate:

   **In Trondheim:** You will receive information via e-mail on how to book a police appointment through NTNU. The appointment will not be at the Downtown Police Station, but the Service Center for Foreign Workers (Holtermanns veg 1, Trondheim).

   **In Gjøvik and Ålesund:** You will receive further instructions from your coordinators.

3. For the appointment at the Police Station, you must remember to bring:
   - A printout of the NTNU admission letter or confirmation of student exchange at NTNU, which you received by email
   - Passport/National ID (must be valid for the period you intend to stay in Norway)
   - European Health Insurance Card or proof of private health insurance

You will receive the Registration certificate at the police appointment.

* Does not apply to Nordic students. Students from Nordic countries do not need to register online or meet with the police.

---

D-NUMBER AND NORWEGIAN ID-NUMBER

A D-number is a temporary Norwegian identification number. A D-number is not valid with all services in Norway, and is of limited use. Only consider getting a D-number if you are here for less than 6 months and intend to work, or specifically need it for opening a bank account or similar. A Norwegian ID-number, also known as “fødselsnummer”, is a fully valid identification number which grants you access to all Norwegian services, including a primary doctor. It is only granted to persons living in Norway for a period of 6 months or more. Although this is not a legal requirement to stay in Norway, we recommend all students get a Norwegian ID-number if they are here for longer than 6 months. You should apply as soon as possible, see the next page for details.
2 NORWEGIAN ID NUMBER

- for students staying more than 6 months

When to apply

Nordic and EU/EEA students staying in Norway for more than six months will have to apply for a national ID-number at the National Population Register. Non-EU/non-EEA students will automatically receive an ID-number a couple of weeks after the police appointments.

- Nordic students: You can apply once you have arrived in Norway
- EU/EEA students: You can apply as soon as you have received your registration certificate after the police appointment
- Non-EU/non-EEA students: You will get an ID-number automatically if you are staying more than 6 months. You do not need to apply

Application for a national ID-number (EU/EEA/Nordic students)

2. To your scheduled appointment, you must bring:
   - Passport
   - Residence card/ Registration certificate
   - Your Student card and your Student ID app
   - Housing contract, duration must be at least 6 months
   - The form “Notification to the Tax office of move to Norway from abroad”:
     www.skatteetaten.no/globalassets/skjema/alltid/rf-1401e.pdf
     Use block letters and complete all the required fields. Say ‘No’ on the question “Are you a commuter from an EEA/EU-country?”

The case processing time is approximately 2 to 4 weeks.

NATIONAL POPULATION REGISTER IN TRONDHEIM

Skatt Midt-Norge, Kongens gate 87
3 COMPULSORY HEALTH CHECK

Immigration regulations require that citizens of some countries must be tested for tuberculosis if they are staying more than three months in Norway. The test is free.

You can see who are required to take the test at the Norwegian Institute of Public Health: https://www.fhi.no/en/id/infectious-diseases/TB/countries-tuberculosis/

Due to the COVID-19 pandemic, NTNU cannot arrange group appointments for the tuberculosis test. Students will receive information on how to book tuberculosis checks via e-mail.

If, two weeks after the semester starts, you have not received information on how to book a test, and you are required to be tested, please contact the Office of International Relations.

VACCINE OFFICE/ TEST CENTRE IN TRONDHEIM
Statens hus, Prinsens gate 1A, 1st floor.

Phone: +47 72 54 08 50

Note that you can not contact the Vaccine Office to schedule Covid-19 vaccination. If and when you are eligible for Covid-19 vaccination in Norway, you will be automatically contacted when it is your turn.
OTHER MATTERS

DEPOSIT ACCOUNT: NON-EU/NON-EEA

Students from non-EU/non-EEA countries need to prove that they have sufficient financial support to study in Norway as a part of the application process for a residence permit. This is done by depositing the required amount to the designated NTNU deposit account.

On arrival

If you have deposited money, you will be issued a debit bank card for NOK 60,000 after arrival in Norway. Instructions on where and how to pick up the card will be issued by email, and brought up in the information meeting in August. You will need to bring your passport as proof of ID.

Staying in Norway for less than 6 months

If you are staying in Norway for less than six months, you will not be able to open a bank account. If the amount you deposited is more than NOK 60,000, you will need to request a transfer from the Office of International Relations for the rest of the money.

Staying in Norway for more than 6 months

When you have your residence permit and a Norwegian ID number/D-number, you can open a bank account, and have the rest of the money transferred to this account. To get the remaining funds transferred to your account, you will have to provide your bank account details to the Office of International Relations.

If you wish to make additional withdrawals from the university's deposit account, before you have a Norwegian bank account, please contact the Office of International Relations.

BANK ACCOUNT

In order to open a bank account in Norway you need a national ID number or a D-number.

The requirements of documentation needed, varies from bank to bank. Contact the bank of your choice to enquire.

Please note that the process to open a bank account can take up to two months.
TAX CARD

If you plan to work/have income in Norway you will need a tax card.

Students staying in Norway for less than 6 months and who will have income

If you have income while in Norway, you need a Norwegian tax card. In Trondheim, the tax office (Skatt Midt-Norge) is located in the same building as the National Population Register. They will issue you a tax card and a D-number to you, a simplified version of the National ID-number. After receiving your D-number, you can also open a bank account.

Fill out the form ‘Application for tax deduction card for foreign citizens’, which can be found online: https://bit.ly/2zbRzwp. You must also present your employment contract with an estimate of your expected income. Remember to bring your passport/national ID card. The case processing time is approximately 1 to 3 weeks.

Students staying in Norway for more than 6 months (with a valid residence permit for more than 6 months)

After receiving your ID number, you will also be able to order a tax card online. You will need a tax card if you will have income during your stay in Norway:

MINID PIN CODES FOR PUBLIC SERVICES

Students staying in Norway for more than 6 months and who have received a national ID number, as well as all students with a D-number, can register for MinID pin codes. You will need these codes to log on to online public services in Norway.

1. When you receive your national ID number or D-number, go to http://bit.ly/1rGL9Hi
2. Fill in your national ID number.
3. The codes will be sent to the address registered with the Norwegian National Population Register. This normally takes a few days.
4. When you receive the pin code letter in the mail, register as a new user of MinID with the pin codes.

Do not order the pin codes more than once, as ordering codes several times makes the process, and the waiting time, longer.
HEALTH INSURANCE/NATIONAL INSURANCE (NAV)

EU/EEA students
You must bring a valid European Health Insurance Card (EHIC) with you from your home country.* This entitles you to medical care on the same conditions as the citizens of the EU/EEA country you are visiting. The general rule is that you do not become a member of the Norwegian National Insurance Scheme. If you do not have a European Health Insurance Card, you must have private insurance.

* Exemption: Nordic citizens are entitled to medical care under the National Health Insurance Scheme without any insurance documentation.

Non-EU/non-EEA students

Staying less than 3 months (non-EU/non-EEA)
International students from non-EEA/EU countries staying in Norway for less than 3 months are not eligible for membership with the National Insurance Scheme. You are responsible to make sure that you have valid health insurance.

Staying between 3 to 12 months (non-EU/non-EEA)
Students from non-EU/non-EEA countries who will be studying and living in Norway between 3 to 12 months can apply for enrolment in the National Insurance Scheme. However, we do recommend that you take out a private health insurance before arrival, as it may take some time before you obtain membership. You can only apply for the membership after receiving a national ID number or D-number.

After obtaining membership, you will have almost the same right to medical care as Norwegian citizens, although there are some limitations: [http://bit.ly/1sErJXY](http://bit.ly/1sErJXY)

Trondheim:
1. Once you have your national ID or D-number, go to Nav Lerkendal, Anton Grevskottsv. 2, 7032 Trondheim
2. Bring your passport, your student card, student ID app, and your residence permit

Staying more than 12 months (non-EU/non-EEA)
Students staying in Norway for more than 12 months, and who have a valid residence permit, automatically have health insurance under the National Insurance Scheme from the date they arrive in Norway. The insurance is however not valid abroad.

See the official page for more information: [http://bit.ly/1sErJXY](http://bit.ly/1sErJXY)
PRIVATE INSURANCE POLICY

NTNU does not provide insurance during your stay in Norway. We recommend that you take out such an insurance policy yourself.

EU/EEA students
If you take a trip to another EU/EEA country and need medical treatment, the European Health Insurance Card covers you on the same conditions as the citizens of the country you are visiting. It is however recommended that you take out a private travel insurance.

Non-EU/non-EEA students
You will not be covered by the Norwegian National Health Scheme if you travel outside Norway. If you are hospitalized you will have to pay all medical expenses. It is therefore essential to have valid travel insurance.

PERSONAL PHYSICIAN (FASTLEGE)

There is a nominal charge for medical treatment in Norway (NOK 200–400 per visit), but the Student Welfare Organization, Sit, offers some free services; www.sit.no

Staying less than 6 months
If you are staying less than 6 months, you will not get a personal physician. However, you are still entitled to medical care.

Please see this website for more information: https://innsida.ntnu.no/helsetjenester

Staying more than 6 months
If you are staying more than 6 months you are entitled to a personal physician. You should register for a physician at one of the medical centres in Trondheim as soon as you have your national ID number. Do not wait until you get sick, as the process can take up to a month.

2. Register online or by calling: 800 43 573

If you need medical care before you have received a National ID number, please see this website: https://innsida.ntnu.no/helsetjenester
REGISTRATION OF ADDRESS TO THE POSTAL SERVICE

You need to register your address in Trondheim with the postal service to receive mail. As soon as possible after arrival in Norway, you should:

1. Fill out and print the two online forms*
   - Permanent change of address for private individuals: https://www.posten.no/en/address-services/change-of-address

Bring the form to your nearest post office, together with official ID, and tell them that you want to register your address.

* Do not fill in the section about redirecting mail, as this does not apply for change of address from abroad.

MOVING WITHIN NORWAY

If you move within Norway, you must report to the National Population Register within eight days of moving: https://www.skatteetaten.no/en/person/national-registry/moving/

LEAVING NORWAY WHEN YOU FINISH YOUR STUDIES

A person who moves out of the country to take up residence abroad for at least six months must report the move to the National Population Register when leaving Norway. When you move please fill out the form ‘Reporting a move from Norway’, which can be found online: https://bit.ly/2ITnAck

If you are moving to one of the other Nordic countries, you do not need to submit this form.
AFTER ARRIVAL IN NORWAY

YOUR NOTES...
