

## Overview of the Collaboration between NTNU-TU, Institute of Engineering (IoE) 1990 - 2019

NTNU Faculty	TU Institute of Engineering	Academic field	Cooperation	Funds programme	Comments
Prof. Tore Haavaldsen & Prof. Hans Bjønness	Prof. Pramod Shrestha and CARD team  Prof. Sudarsan Tiwari  Dr. Sudha	Engineering  Architecture	Bilateral  Multilateral	NUFU  Norad Fellowship  Quota Scheme	Build 4 master programmes among these Urban planning, Seismic structural Engineering, Environment Engineering, Various phases and some overlaps 1990 -2005
Prof. Ånund Killingtveit	IoE, Prof. Shakya	MSc Hydropower Development	Bilateral	NOK 6 486 5500  NOMA/Norad Program	Educated ca. 20 Master students, 2006 - 2012
Prof. Bjørn Otto Elvenes	IoE, Prof. Ale and Prof. Pramod Shrestha	MSc innovation and Industrial Development	Bilateral	NOK 4 500 000  NOMA PROGRAM	Educated ca. 32 master students  2009 - 2015
Prof. Hans Bjønness	Prof. Tiwari and team	TUNDER Project	Multilateral  Tibet Univ. Lhasa	NUFU	PhD +master  2007-2012
Prof. Berit Kjeldstad	IoE Prof. Binod Kumar Bhattarai	Research on ultraviolet radiation at different heights in Nepal	Bilateral	NUFU/Norad  Quota	Built PhD program in environmental science. Several co-publications, 6 Phd + master 2007-2012
Prof. Rolee Aranya	IoE  Dep. of Arch.	International M.Sc. programme in Urban Ecological Planning	Bilateral	Quota Scheme, NUFU, Norad	Master degree students Field work for NTNU students, Research Phd, master thesis 2006 onwards
Prof. Martina Keitsch  Dep. of Design	Dep. of Architecture  Prof Triratna  Dr. S. Bajracharya	MSc Energy for Social Sustainability	Multilateral	Capacity building Energy, stakeholder inclusion transdisciplinary collaboration EnPe/Norad  Nok 9. 000.000	Educate master 54 +10 PhD+2 Post.Doc  2005-2020
