**Maximum 12 samples per order!** If more sections are required, additional orders must be created.  
If you want multiple sections from the same sample, list multiple times in the list.  
This information is entered into our thin section protocol.  
You will receive this form, with section numbers, with the finished sections.

This form is delivered by e-mail to [sliplab@igp.ntnu.no](mailto:sliplab@igp.ntnu.no) with a copy to your supervisor.
