

MTP-Student Workplaces, Autumn 23/Spring 24

Clean Desk Policy

All our student workplaces at MTP are “clean desk”. Clean desk means that no student will have a permanent workspace and that all desks must be cleared at the end of each day.

Workplaces:

Our newly renovated “**Kanondekket**” is reserved for 1st-4th year students:

All teaching areas/auditoriums are open for students to use as workplaces when there is no scheduled teaching.

Master Student Workplaces at MTP:

The following rooms are reserved for students who are writing a project or master’s thesis in the 2nd or 5th year of their studies: **Gløshaugen/Verkstedteknisk/225, 227, 236 and 238.**

Access to these rooms will be given on study program level.

The named student groups can expect to be given access by the end of August 2023. The rooms will be available from the fall semester 2023 until the end of the spring semester 2024.

Storage Cabinets:

Storage cabinets are available outside room 236, in room 238, outside the PUMA meeting room and outside Kanondekket. You must bring your own padlock.

More Information:

You can find information about other accessible reading rooms at the campus in Gløshaugen on Innsida:
