

Kim Westerwood

Carl Wilmersens road 23b, 7655, Talsvik | 77 66 77 00 | Kim.Westerwood95@gmail.com

Why consider me?

Do you need a new employee who has read up on Dexit and is eager to contribute? I can offer you a newly graduated IT-student, who loves everything technical. As a recent graduate, I have knowledge of the latest technology, such as Cisco, CCNA and CCNP. I also have a few years of work experience within data security, and I am eager to learn even more from you.

Education

BACHELOR DEGREE IN IT-OPERATIONS AND INFORMATION SECURITY | 12.08.2017-12.08.2019| COLE UNIVERSITY

- Bachelor dissertation: "Optimized Network safety at Cole University"
- My education is a study program combining traditional university computer science education with a focus on practical skills in IT-operations and information security
- Expertise: computer networks and network security in the context of Cisco CCNA, CCNA security and CCNP educational programs
- I have also acquired practical skills from a long line of lab exercises using infrastructures of Linux and Windows servers. Cloud computing is a key technology in the program, and I have made use of the cyber range facilities in my own private cloud

EDUCATION

Master of Science in Psychology, specialization in work and organizational psychology

August 17 – Present

I have received knowledge of psychological theory and research in the areas of management and work organization. I have learned to facilitate a good psychosocial work environment.

- Master thesis: Facilitation of work for employees with mental ailments.

Bachelor in Psychology. NTNU

August 14 – June 17

- Exchange student at University of California, Berkeley.
- Bachelor thesis: Motivation for study choices (grade B).

EMPLOYMENT HISTORY

Teaching assistant, Department of Psychology, NTNU

August 17 – Present

Manage group exercises, guide and considered semester assignments.

Scientific Assistant, Department of Psychology, NTNU

May 17 – August 17

I worked with diverse students and successfully contributed to the department's mission. Continually offered a variety of teaching methods and curricular perspectives.

Sales Associate, Pet Shop

June 14 – May 17

Took responsibility for ordering pet food. Closed the store twice a week. Helped customers select products that best fit the needs of their pet. Answered customer questions and reported issues by mail and phone.
