Welcome as a new Master’s Student to Trondheim and to the Faculty of Medicine and Health Sciences at NTNU. From the 20th to the 26th of August, we invite you to participate in this year’s SOMA Buddy Week! We look forward to meeting you all, and helping you get to know the city, campus and each other!

SOMA is YOUR student organization for and by master students at this faculty, organizing social and academic events for you to benefit from your study program in every way possible! All master’s students are automatically a member of SOMA!

On the next page, you’ll get to the schedule for the Buddy Week you’re going to enjoy! Remember to sign up to the events! Some of the events DO require a signup (red events), but not all of them. We’ll still appreciate if you sign up just so we have an idea of how many we are! Weekday activities will happen after your lectures.

Follow us on Facebook: www.facebook.com/SOMANTNU

There, you’ll find information on the different events, where to meet up, possible changes to the program, and more! You can also reach us quite easily by messaging us on Facebook, or by sending us an e-mail on somaevent@gmail.com.

See you soon!

Buddy Week 2018

Monday 20.8 | Guided tours and a BBQ
At the immatriculation, you will hear about us, and we will have an orientation tour of the campus (separate info). After the tour, there will be a Meet and Greet BBQ at Høyskoleparken where we can all get to know each other, both 1st and 2nd year students! We’ll provide the food!

Tuesday 21.8 | Minigolf tournament
Get ready to have some fun at Trondheim Camping, our local Minigolf and beer place. You’ll be competing against 5 other people in your group for a little semicompetitive fun! The spots are limited, and you only pay 50 NOK, so sign up HERE ASAP.

Wednesday 22.8 | SOMA Pizza Dinner
Come to our annual pizza dinner at the Tyholt Tower! The tower stands 74 meters tall, so you’ll get to enjoy the best view while eating some good pizza! Spots are limited here as well, and you only pay 50 NOK, so please sign up ASAP by clicking HERE.

Thursday 23.8 | SOMA Field day n’ BBQ at Finalebanen
Volleyball, three-legged races, slack lines, and more fun activities await you at Finalebanen. This is right next to campus! We’ll hook you up with some fun activities, as well as grills so you can BBQ whatever you want to eat (bring that)!

Friday 24.8 | Pubcrawl!
Pubcrawls are a staple of buddy weeks everywhere, and it’s no different here. Join us and experience Trondheim’s nightlife, the SOMA quiz, and a cold one with the boys (and girls). Pubs and times will be posted on the Facebook event.

Sunday 26.8 | Boat trip to Munkholmen
Let’s enjoy a good old (short) boat trip to the little island of Munkholmen. It’s scenic so you can get some Instagram material, and if the weather gods are cool with it, we can go for a swim and a tan! Sign up HERE!
