

MSCA Postdoctoral Fellowships 2026 training

The Research Services of Aalto University and the Nordic 5 Tech alliance will organise a MSCA Postdoctoral Fellowships 2026 training on June 3, 2026.

Marie Skłodowska-Curie Actions (MSCA) funding for Postdoctoral Fellowships is aimed at postdoctoral researchers with up to 8 years of research experience after the doctoral degree, who would like to move within or to Europe and beyond to carry out research. The researcher applies for funding in cooperation with the host organisation.

The MSCA Postdoctoral Fellowship applicants should comply with the mobility rules of the call. The fellow must not have resided in the host organisation's country for more than 12 months in the three years immediately before the call deadline.

Target group: The seminar is open to all researchers from the Nordic 5 Tech universities. This training is for you, if you are planning to invite a researcher from abroad to work in your group on this fellowship, or if you are a postdoc interested in applying for this fellowship.

The webinar format is upfront lectures, including the experiences of invited speakers. We encourage audience participation with polls and inviting questions in the chat.

The webinar will be held in English.

Time: June 3, 2026, from 12 to 3.15 pm CEST (1 to 4.15 pm EEST)

Venue: Zoom (You will receive the link upon registration)

Registration: in Webropol by June 1, 2026 (max 500 participants):
<https://link.webropol-surveys.com/S/9B77ABFABAD8A91E>

Speakers: Head of Pre-Award Services Claudia Dell'Era, Aalto; Grant Writer Mirkka Jones, Aalto; Senior Research Liaison Officer Mervi Lipponen, Aalto; Senior Grant Writer Laura Verbrugge, Aalto. Invited speakers.

Agenda:

- Introduction to MSCA Postdoctoral Fellowships (MSCA PF) funding
- How to write a successful MSCA PF proposal: Excellence, Impact, Implementation
- MSCA PF experiences and success stories

Organiser: Aalto University, Research Services. For further information, please contact Mervi Lipponen, mervi.lipponen@aalto.fi
