

SOUTH ASIA'S LARGEST EXHIBITION ON AIR CONDITIONING, HEATING, VENTILATION AND INTELLIGENT BUILDINGS

KNOWLEDGE SESSION TECHNICAL SEMINARS

Knowledge Partner

Sustainable Cooling Solutions: Demonstrations and Pathways for the Future
Collaboration between India and Norway – INDEE+ Project

ESTEEMED SPEAKERS AT THE CONFERENCE

Prof. Armin Hafner
Professor, NTNU
Norway

Mr. Sonal Kumar
Programme Lead
CEEW, New Delhi

Mr. Vinod Laguri
Ph.D. Student, IISc
Bangalore

Dr. Arun
Postdoctoral Fellow
CIFT

Prof. M.S. Dasgupta
Professor
BITS Pilani

Dr. Kristina N. Widell
Senior Research
Scientist, SINTEF
Ocean, Norway

Ms. Anju Mary Kuruvilla
Director, Danfoss

Dr. Yosr Allouche
Director General
IIR, Paris

20TH FEBRUARY 2025

TIME	THEME	SPEAKER
11:00	Successful collaboration between India and Norway: INDEE+	Prof. Armin Hafner , Professor, NTNU, Norway
11:20	Strategies for India's transition to clean refrigerants	Mr. Sonal Kumar , Programme Lead, CEEW, New Delhi
11:40	Demonstrating industrial collaboration within seafood processing and heat pump chillers Successfully Installed: CO2 Heat Pump and Chiller for Kitchen and Industrial Applications in India Dissemination of results for CO2-NH3 cascaded fish processing system. Ice maker for small fishing boat	Mr. Vinod Laguri , Ph.D. Student, IISc Bangalore Dr. Arun , Postdoctoral Fellow, CIFT Prof. M.S. Dasgupta , Professor, BITS Pilani
11:55	Building on success: expanding collaboration and exploring new frontiers in sustainable cooling	Dr. Kristina N. Widell , Senior Research Scientist, SINTEF Ocean, Norway
12:05	Panel discussion: Looking ahead - Key demonstrations for industry transformation in the next 3 years	Moderator: Dr. Kristina N. Widell , Panelists: Aadinath Harihar (Koshyma Engineering), Kavita Sanjay Sonwane (Triveni Turbine), Kumo Sharma (Medors Renewable Energy)
12:35	Women in refrigeration: role models and pathways to greater inclusion	Ms. Anju Mary Kuruvilla , Director, Danfoss
12:45	Global challenges and opportunities in the refrigeration sector	Dr. Yosr Allouche , Director General, IIR, Paris (online)
