

International Society of Impact Engineering

4th International Conference on Impact Loading of Structures and Materials

May 13–17, 2024, Freiburg, Germany
Historisches Kaufhaus

Outline of ICILSM

The Fraunhofer Institute for High-Speed Dynamics, Ernst-Mach-Institut, EMI, will host the 4th International Conference on Impact Loading of Structures and Materials from May 13 to 17, 2024, in Freiburg, Germany.

The conference is the fourth in a series of international conferences organized by the International Society of Impact Engineering.

More details on the topics of the conference and abstract submission can be found on our conference website.
