Naming the print files

1stk_CompassFairs_BannerA_150x280cm_100pst

1   2   3   4   5

1. Specifie the number of prints of this particular print file
2. Your company name
3. Define the number of print files, A, B, C...
4. Define with x hight in cm
5. Percent of size

Recommendations regarding design of banners

The banner is an elastic fabric and should hang in such a way that it is tight. Logos and important text should be placed least 10 cm from the edge.

Important!

Please make sure you meet the requirements above before sending us the print file. Unfortunately, we cannot guarantee that the banners will be printed correctly if the requirements above are not met.
