

EACWE 2025

The 9th European African Conference on Wind Engineering

Trondheim, Norway, 16-19 June 2025

Sponsorship opportunities

Norwegian University of
Science and Technology

Sponsorship and exhibition opportunities

We welcome Sponsors and exhibitors to The 9th European-African Conference on Wind Engineering (EACWE2025) that will be held at Radisson Blu Royal Garden Hotel in Trondheim, Norway, 16-19 June 2025.

Following the tradition of European-African conferences on wind engineering, EACWE2025 will bring together leading experts from both the industry and academia in Trondheim for three days of fruitful exchanges. A broad range of topics covering both fundamental problems of wind engineering and the most recent advances will be discussed.

We offer sponsorship and exhibition opportunities to showcase your company in this exciting event. You can choose one of our sponsor packages or contact the conference secretary for a customized package.

Ole Øiseth
EACWE 2025 Conference Chair
