

NetZeroPlay

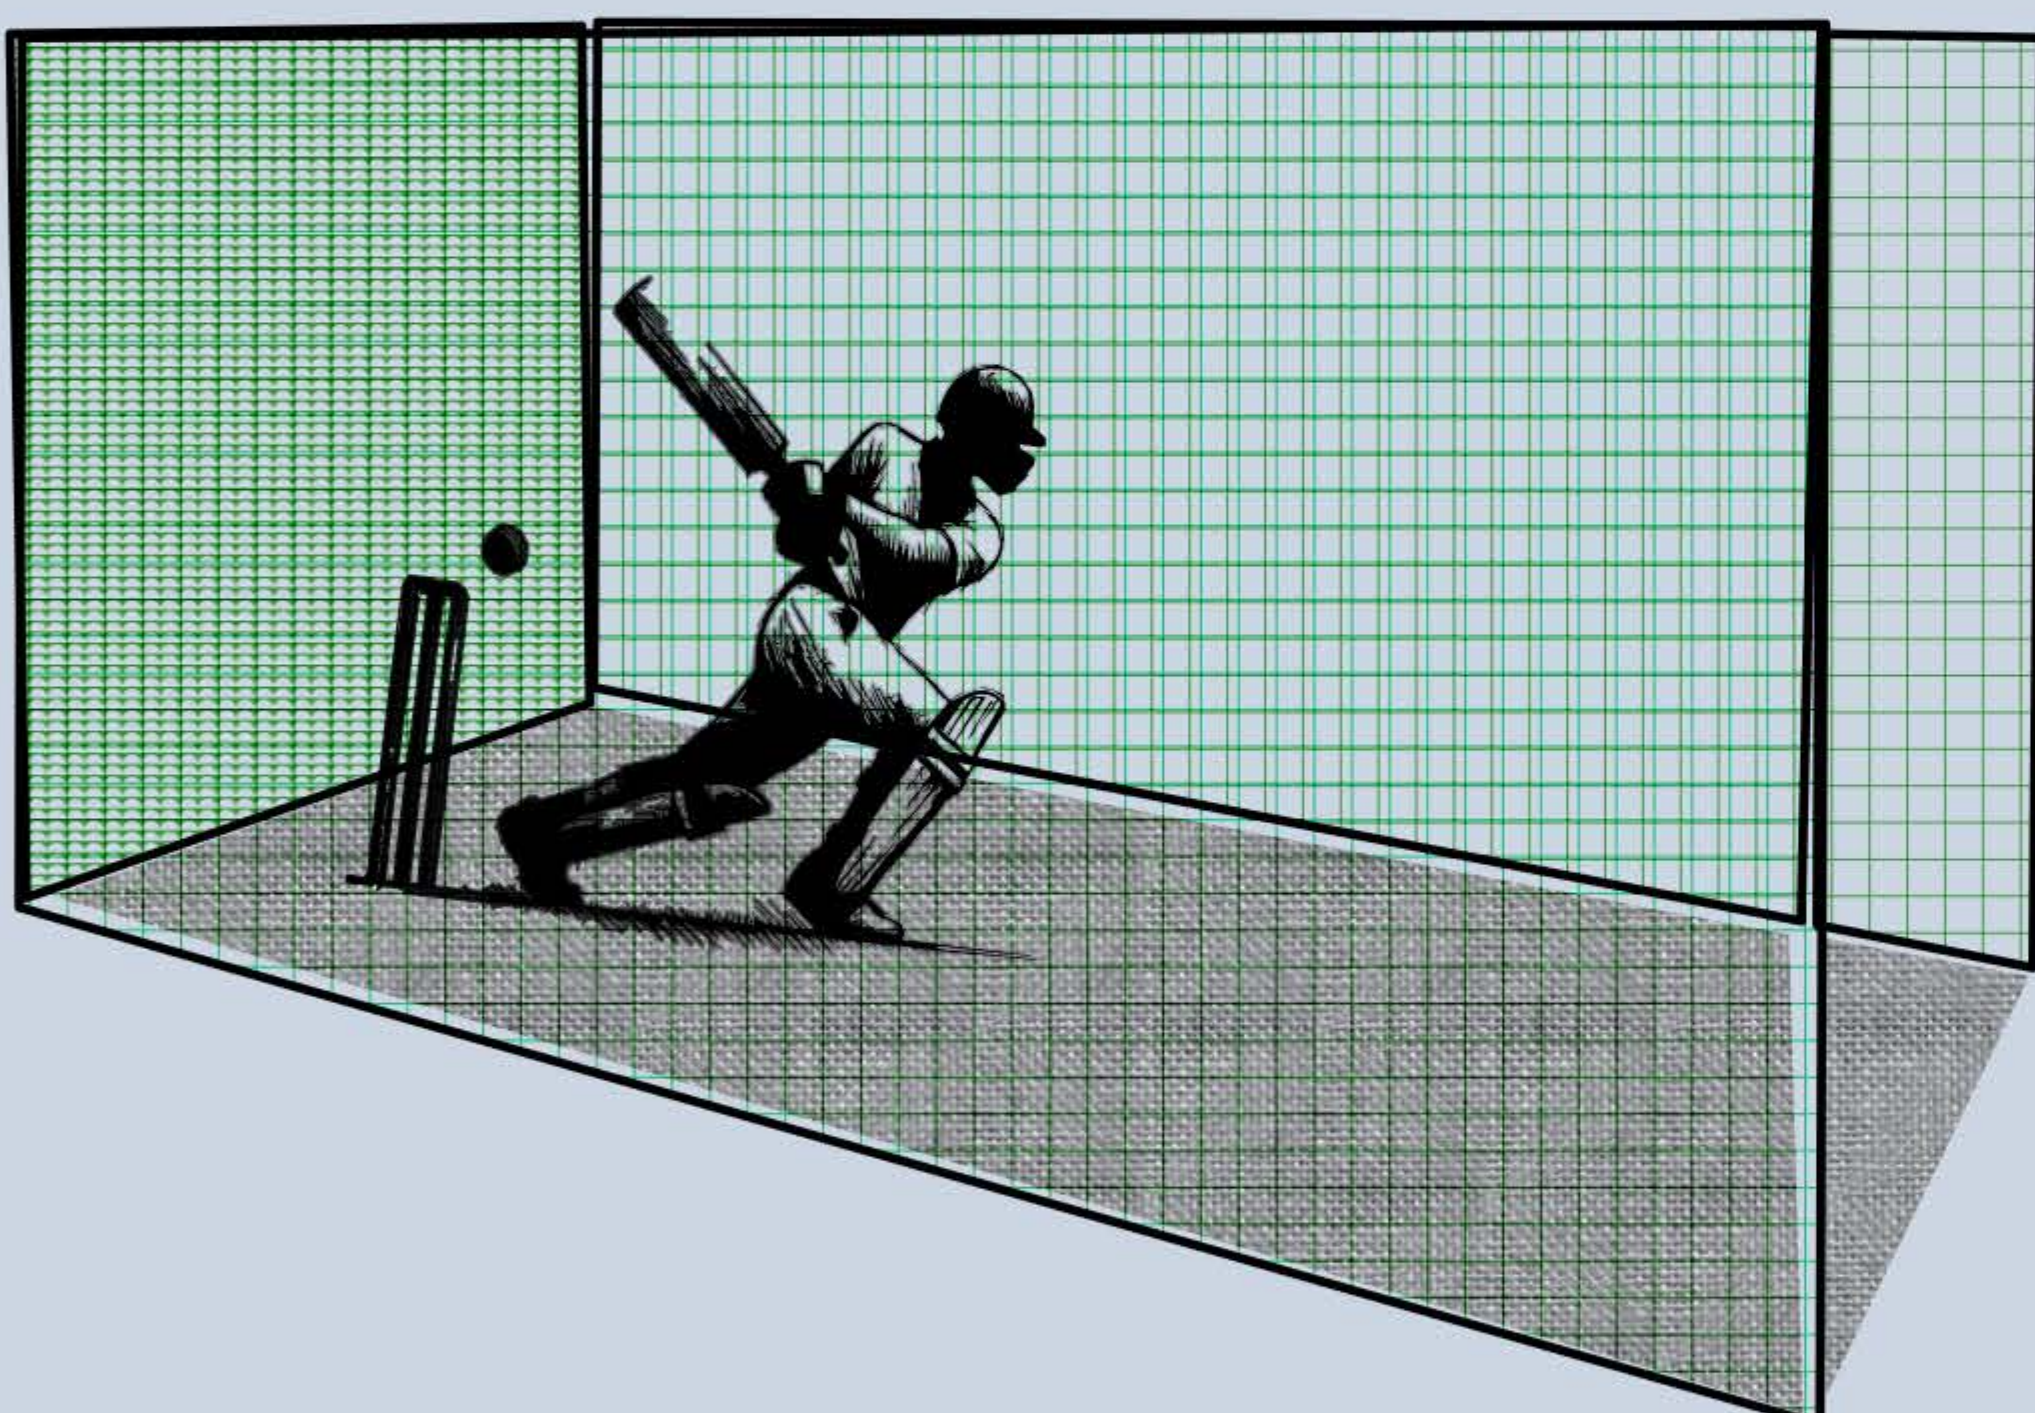

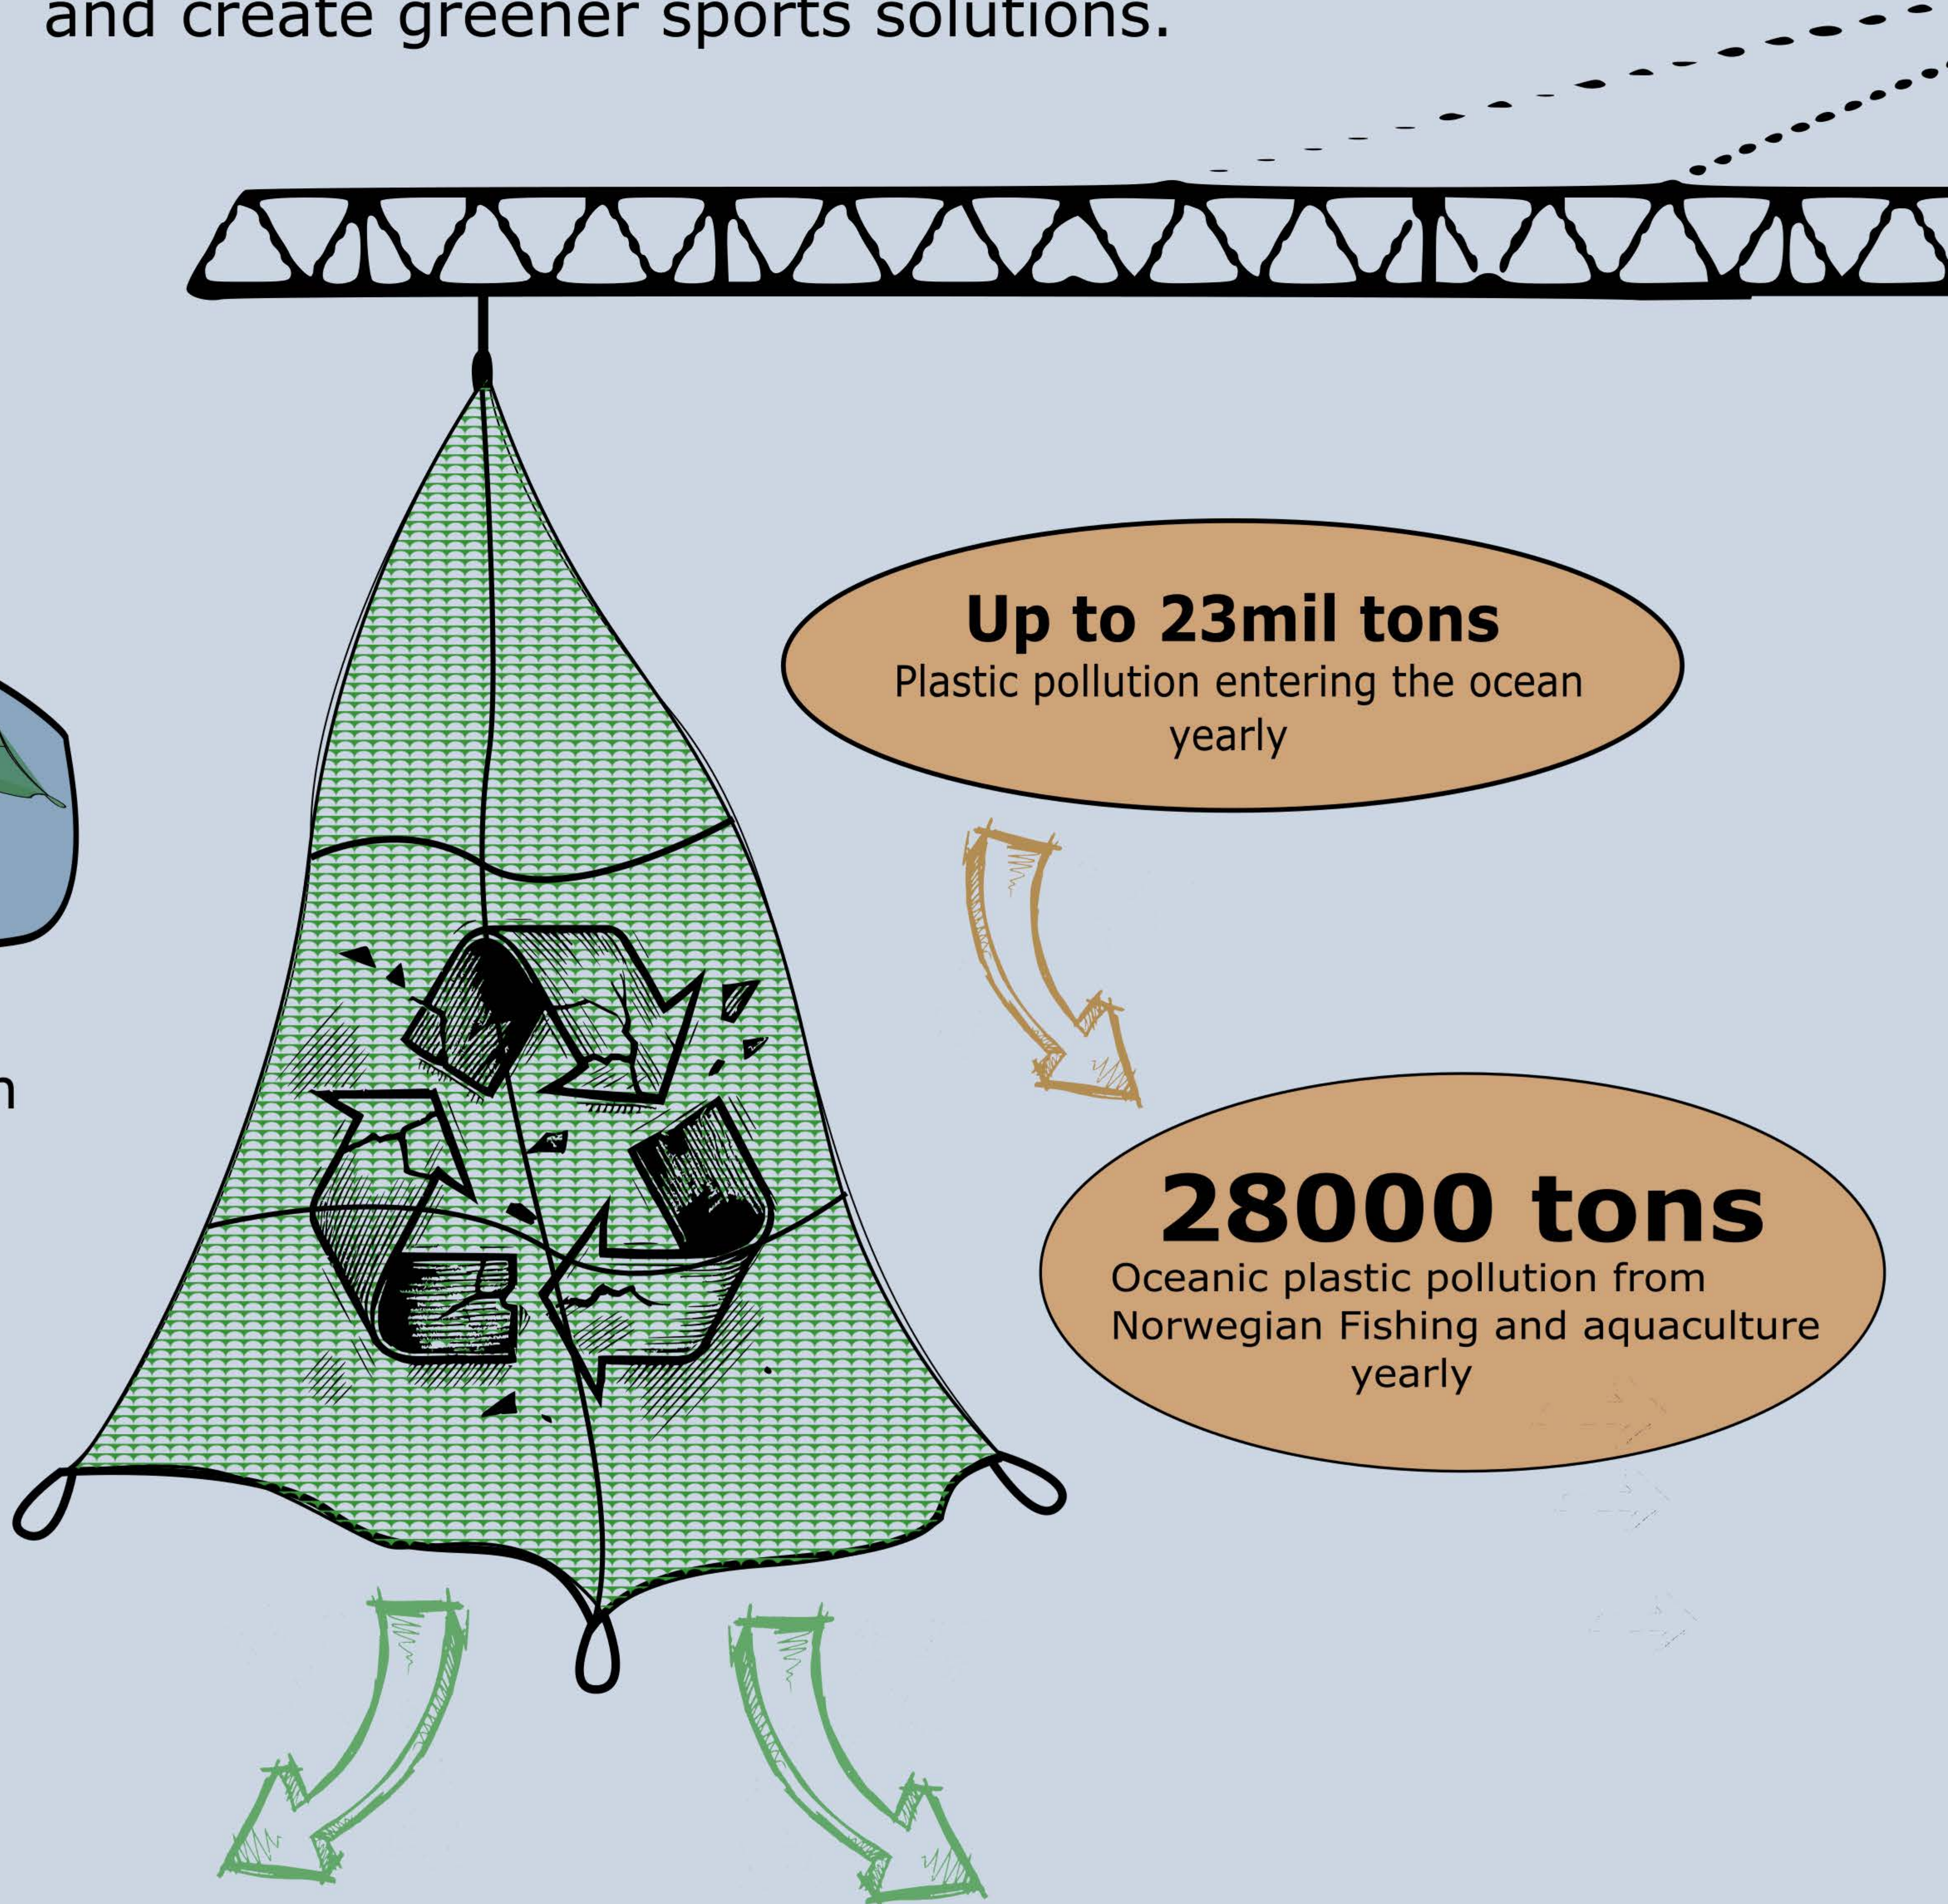

Our Vision

By diverting discarded nets from waste streams and transforming them into valuable products, we cut plastic pollution, promote sustainability and create greener sports solutions.

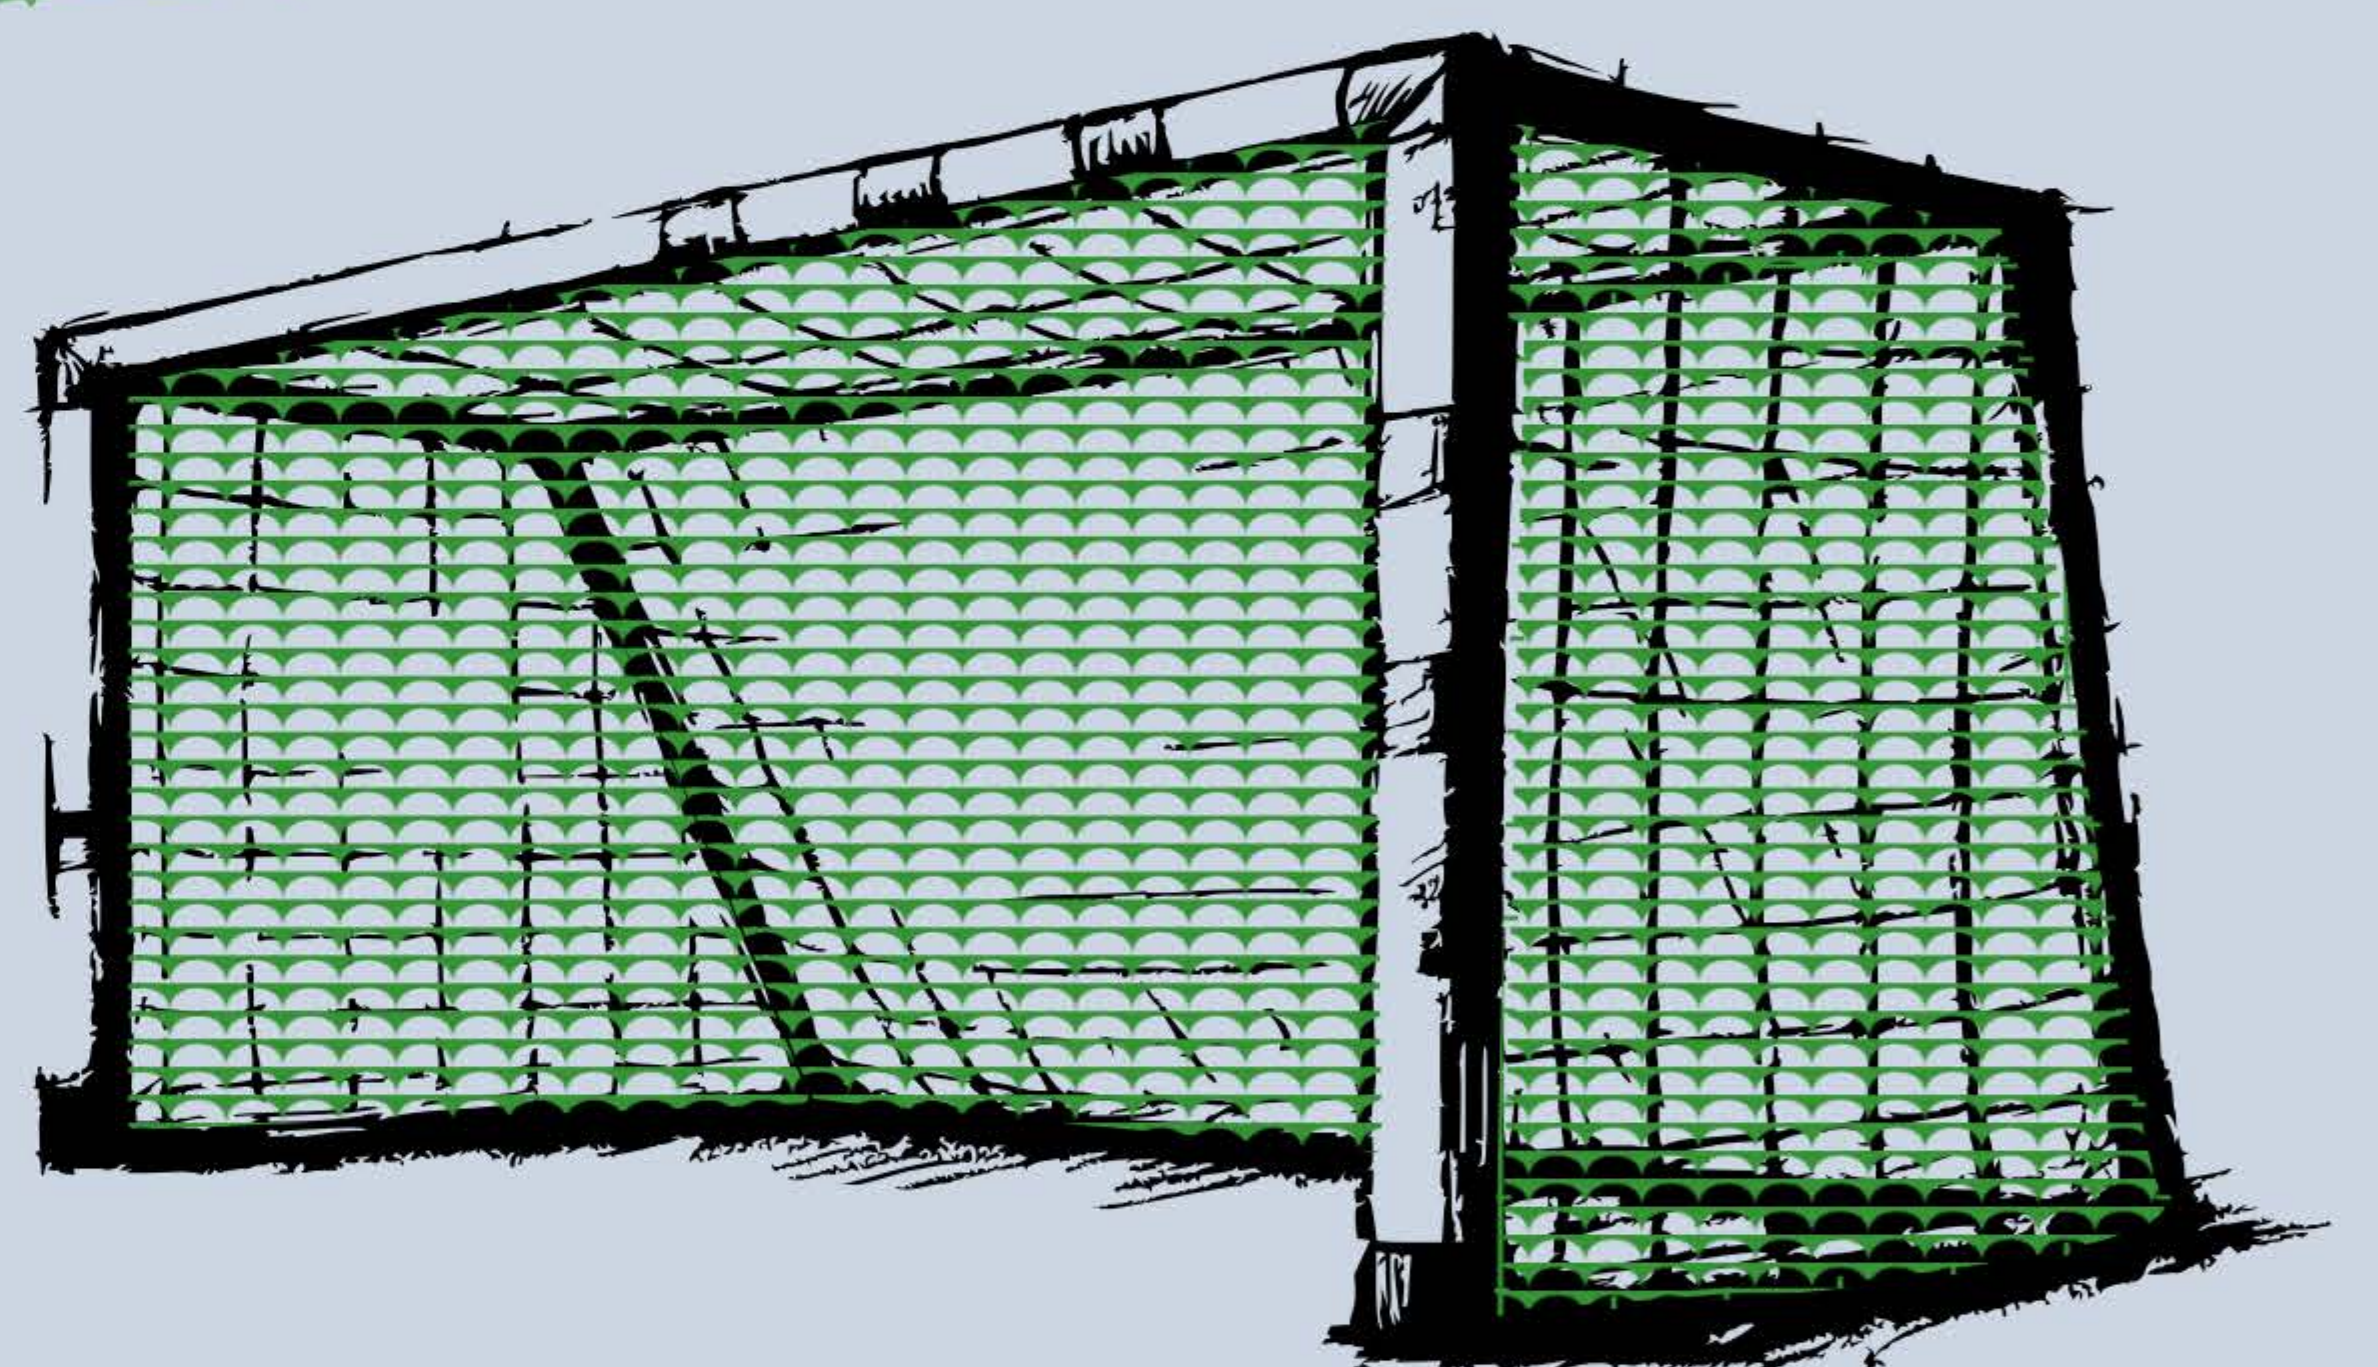

50% → Landfills
19% → Incineration
9% → Recycling

Don't let
old nets go to waste,
turn them into play!

Discarded nets
become sports
equipment
keeping the
environmental
game going.

Less waste - More play - A cleaner planet
