

FME BATTERY Academy 2026

Agenda Day 1 – May 27 th		
Location: Norsk Industri, Middelthuns gate 27, 0368 Oslo		
Arrival and registration 09:00 – 09:30		
09:30	Welcome and introduction	Norsk Industri / FME BATTERY / Battery Norway
09:45	Battery Marked Update	Lars Lysdahl, Rystad Energy
10:10	Status and outlook of European battery industry	Simon Clark, SINTEF
Coffee break 10:30 – 10:50		
Session II – Industry Perspectives		
10:50		Vianode
11:00	What's next?	Arne Fredrik Lånke, Elinor
11:10		Corvus
11:20	Conversation with the Norwegian battery industry	Lars Barstad, Siemens Energy Tove Nilsen Ljungquist (CEO Beyonder) Ola Johannes Jordal (Corvus) Arne Fredrik Lånke (CEO Elinor) Burkhard Straube (CEO Vianode) Moderator: Arne Eik/Nora Grobæk
Lunch 12:00-13:00		
Session III – Defence, preparedness and security		
13:00	Batteries in the defence sector	Sissel Forseth, FFI
13:20	Is energy mission critical for multi domain operations?	Jarle Gjørseth, Nordic Batteries
13:40	Sustainable Batteries for Strategic Resilience and Defence	Ronny Glöckner, Morrow
14:00	TBD	
14:20	Panel conversation about batteries as critical infrastructure and role in defence and security. Moderator: Sanna Sommer, IFE	
Coffee Break 14:50 – 15:20		
Session IV – Perspectives from other FME centres		
15:20	BESS supporting increasing PV deployment	Erik Marstein – FME SOLAR
15:35	Battery systems working in harmony with the grid	Sigurd Bjarghov – SecurEL
15:50		Gunnar Malm Gamlem – Martrans
16:05	Panel conversation about the role of batteries in other FME centres and technology areas. Moderator: Hanne Flåten Andersen, FME BATTERY	
16:30 – 17:00 Relocate to dinner venue + aperitif		

Dinner 17:00
