

FME BATTERY Academy 2026

| Agenda Day 1 – May 27 th | | |
|--|--|--|
| Location: Norsk Industri, Middelthuns gate 27, 0368 Oslo | | |
| Arrival and registration 09:00 – 09:30 | | |
| 09:30 | Welcome and introduction | Norsk Industri / FME BATTERY / Battery Norway |
| 09:45 | Battery Market Update | Lars Lysdahl, Rystad Energy |
| 10:10 | Status and outlook of European battery industry | Simon Clark, SINTEF |
| Coffee break 10:30 – 10:50 | | |
| Session II – Industry Perspectives | | |
| 10:50 | Powering resilient battery value chains | Burkhard Straube, Vianode |
| 11:00 | What's next? | Arne Fredrik Lånke, Elinor |
| 11:10 | Corvus Energy: Leading the Maritime Battery Transition | Ola Johannes Jordal, Corvus |
| 11:20 | Conversation with the Norwegian battery industry | Lars Barstad, Siemens Energy Tove Nilsen Ljungquist, Beyonder Ola Johannes Jordal, Corvus Arne Fredrik Lånke CEO Elinor Burkhard Straube, CEO Vianode Moderator: Arne Eik |
| Lunch 12:00-13:00 | | |
| Session III – Defence, preparedness and security | | |
| 13:00 | Batteries in the defence sector | FFI |
| 13:20 | Sustainable Batteries for Strategic Resilience and Defence | Ronny Glöckner, Morrow |
| 13:40 | Is energy mission critical for multi domain operations? | Jarle Gjørsether, Nordic Batteries |
| 14:00 | Simple function - complex design. Battery design as a critical system component | Birk Aigner, Schive |
| 14:15 | When off-the-shelf isn't enough: Building batteries for nano UAVs | Beatrice Palmer, Teledyne Flir |
| 14:25 | Panel conversation about batteries as critical infrastructure and role in defence and security. Moderator: Nora Rosenberg Grobæk, IFE | |
| Coffee Break 14:50 – 15:20 | | |
| Session IV – Perspectives from other FME centres | | |
| 15:20 | BESS supporting increasing PV deployment | Josefine Selj – FME SOLAR |
| 15:35 | Battery systems working in harmony with the grid | Sigurd Bjarghov – SecurEL |
| 15:50 | Battery in ships: More than ferries, but not a silver bullet | Gunnar Malm Gamlem – Martrans |
| 16:05 | Panel conversation about the role of batteries in other FME centres and technology areas. Moderator: Hanne Flåten Andersen, FME BATTERY | |
| 16:30 – 17:00 Relocate to dinner venue at Frenchie (Middelthuns gate 17, 0368 Oslo) | | |

Dinner 17:00
