

22nd INTERNATIONAL CONFERENCE ON THE
EUROPEAN ENERGY MARKET
22 - 24 June 2026 | Trondheim, Norway

The International Conference on the European Energy Market

...arranges a unique meeting place to present and discuss the most recent developments within energy markets.

...brings together experts from academia, industry, and policy to discuss cutting-edge topics within energy.

EEM26 is organized by the Norwegian University of Science and Technology (NTNU), SINTEF Energy Research, and the IEEE PES Norway Chapter, under the auspices of the IEEE Power & Energy Society

The conference has a proud tradition, starting in 2004 in Łódź, Poland, and since then hosted in cities such as Warsaw, Cracow, Lisbon, Leuven, Madrid, Zagreb, Florence, Stockholm, Porto, Dresden, Ljubljana, and Lappeenranta.
