| Room | R01 | R02 | R03 | R04 | R05 | R06 | R07 | R08 | R09 | R10 | R21 | R50 | R51 | R54 | R90 | R92 | R93 | |
|-------------|--|--|---|--|---|--|--|--|---|---|---|--|--|--|---|---|-----|--|
| 07:30-09:00 | Registration | | | | | | | | | | | | | | | | | |
| 09:00-09:30 | Opening ceremony | | | | | | | | | | | | | | | | | |
| 09:30-10:15 | Keynote address: Lesley Head | | | | | | | | | | | | | | | | | |
| 10:15-10:30 | Coffee break | | | | | | | | | | | | | | | | | |
| 10:30-12:00 | M2.1 Acting local, catalyzing global? The role of bottom-up initiatives... | M8.1 Sustainable island geography – Geographies of island sustainability | M3.1 Citizen engagement and natural resource governance... | M14.1 Challenging mobilities/ transport regimes | M88. Panel: Social sustainability and creative practice | M23.1 (Not) my green city? The role of green spaces in times of urbanization | M7.1 Urban innovation and the rise of projects, platforms and testbeds | M13.1 Uneven mobilities and the production of subjectivity | M18.1 Regional development paths and critical junctures | M90.1 Marxism(s) in Geographic and Sustainability Research | M40.1 Planning for sustainable urban futures: transgressing the North-South boundaries... | M51. Exploring the geographies of Scandinavian welfare states: past, present, and future | M57. Environment, migration and ethnicity | M11.1 Revisiting 30 years of sustainable tourism in the age of overtourism | M45.1 The political ecology of the outfields (utmarka): Conflicting views of resource use | M1 Gender Inequality and Sustainability under Customary Rights | | |
| 12:00-13:15 | Lunch | | | | | | | | | | | | | | | | | |
| 13:15-14:45 | M2.2 Acting local, catalyzing global? The role of bottom-up initiatives... | M8.2 Sustainable island geography – Geographies of island sustainability | M3.2 Citizen engagement and natural resource governance... | M14.2 Challenging mobilities/ transport regimes | M4.1 Considering creativity in an era of ecocide | M23.2 (Not) my green city? The role of green spaces in times of urbanization | M7.2 Urban innovation and the rise of projects, platforms and testbeds | M13.2 Uneven mobilities and the production of subjectivity | M18.2 Regional development paths and critical junctures | M90.2 Marxism(s) in Geographic and Sustainability Research | M40.2 Planning for sustainable urban futures: transgressing the North-South boundaries... | M70. Health and Sustainability in the Global North: Working in and with Publics | M71. The Anthropocene uncanny & the sustainability imperative | M11.2 Revisiting 30 years of sustainable tourism in the age of overtourism | M45.2 Sustainability, justice, industrial and 'green' developments... | | | |
| 14:45-15:00 | Coffee break | | | | | | | | | | | | | | | | | |
| 15:00-16:30 | M2.3 Acting local, catalyzing global? The role of bottom-up initiatives... | M8.3 Sustainable island geography – Geographies of island sustainability | M3.3 Citizen engagement and natural resource governance... | M14.3 Challenging mobilities/ transport regimes | M4.2 Considering creativity in an era of ecocide | M38.1 Political Geographies of Citizenship | M7.3 Urban innovation and the rise of projects, platforms and testbeds | M13.3 Uneven mobilities and the production of subjectivity | M18.3 Regional development paths and critical junctures | M90.3 Marxism(s) in Geographic and Sustainability Research | M42.1 Extra-regional dynamics, innovation, and development | M64. Sustainable foundations: building new geographies of housing and homelessness... | M50. Inclusive geographies of sustainability | M11.3 Revisiting 30 years of sustainable tourism in the age of overtourism | M52. Urban green commons today and in the future: an environmental justice perspective | M48. Lived sustainabilities: unpacking the realities of living sustainably... | | |
| 16:30-16:45 | Coffee break | | | | | | | | | | | | | | | | | |
| 16:45-18:15 | M79. Panel: Socio-spatial theory in Nordic geography: advancements and critiques | M76. Panel: The state of Nordic tourism geographies | M62. Fuzzy, firm or flexible? Conceptualising 'sustainability'... | M49. Sustainable regional development: transport, mobility and communication | M4.3 Considering creativity in an era of ecocide | M38.2 Political Geographies of Citizenship | M87. Panel: Exploring balancing acts and dilemmas in urban experiments | M60. Intra-EU Mobilities: Governance, Bordering and Resistance | M91. Fennia Annual Lecture 2019 | M59. New geographies of meatification: Patterns, processes, practices | M42.2 Extra-regional dynamics, innovation, and development | M72. Facing the uncertainty of climate change and the Anthropocene... | M61. Is the cemetery dead? The continued sustainability of cemeteries... | M46. Social innovation for sustainable care | | | | |

NGM Session Programme - Tuesday the 18th of June, 2019
