

SANO POSTER COMPETITION

**STAND A CHANCE TO
WIN A CASH PRIZE OF
NOK 100 000**

Four-member teams (2 from South Africa + 2 from Norway) are invited to compete for funding for specific actions that in some way, shape, or form contribute to the mission of the Norwegian Retailers' Environment Fund:

*Together, we will solve the environmental issues due to plastics!
We are Norway's largest private environmental fund, and support projects that reduce plastic pollution, increase plastic recycling, and reduce the consumption of plastic bags.*

The winning team will receive a **CASH PRIZE OF NOK 100 000** (at present ZAR 179 000) and the runner-up NOK 10 000 for advancing their concept and/or implementing their plan during the remainder of 2023.

DEADLINE FOR ENTERING

17 AUG 23

AT 12:00 NOON

WINNERS WILL BE ANNOUNCED

18 AUG 23

DURING THE SANO
CONCLUDING CONFERENCE

2020-2023

South Africa - Norway Exchange Program

This is to certify that the *SANO Poster Competition 2023* was successfully completed on 18 August in Trondheim, whereby an independent jury consisting of:

Eirik Oland (Norwegian Retailers' Environment Fund)

Dr Marlon de Luna Era (De La Salle University, Manila)

Professor Helge Brattebø (NTNU)

unanimously awarded first prize of NOK 100.000 to team 3F with 6 members for their 3 posters on:

Bottle Deposit System in South Africa

Consumer Purchasing and Recycling Behaviour

Recycling Plastic Bottles

The runner-up prize of NOK 10.000 was awarded to team 3D with 9 members for their 3 posters on:

From pollutants to propagators

The unseen world: Plastic's bacterial colonizers

Alchemy of contamination

Posters from all contenders are available on-line at NTNU's www.ntnu.edu/oceans/actionoceanplasticwaste

Trondheim, 18 August 2023
