

The Nordic Nanolab Network invites you to:

## Nordic Nanolab User Meeting 2017 – NNUM 2017

NTNU NanoLab, NTNU Norwegian University of Science and Technology  
Trondheim, Norway, 9 – 10 May, 2017

Welcome to attend and contribute to the first Nordic Nanolab User Meeting 2017 at NTNU NanoLab, NTNU Norwegian University of Science and Technology, 9 – 10 May 2017! This Meeting is organized by the Nordic Nanolab Network (NNN) and is the third user meeting on a Nordic level, continuing a longer tradition of Myfab's user meetings in Sweden. We look forward to two days of interesting presentations, technical workshops and presentations of your work at the poster session as well as a visit to NTNU NanoLab and other laboratory facilities at NTNU. We expect about 200 users from 10 or more Nordic cleanroom laboratories to participate. Are YOU one of them?

**Preliminary program at a glance:** The meeting will cover several plenary talks and thematic seminars on materials analysis and characterisation, thin film technologies, etching technologies and lithography. In addition, the program will include a poster session and laboratory tours to NTNU NanoLab, NorTEM, RECX and the MBE facilities (preliminary list). The meeting will also host a technical exhibition of cleanroom related equipment. More detailed information regarding the exhibition will be sent out during the autumn of 2016.

**SAVE THE DATES NOW - Registration will open in January 2017**

### QUESTIONS/CONTACT

Questions about the user meeting should be directed to:

Kay Gastinger, [kay.gastinger@ntnu.no](mailto:kay.gastinger@ntnu.no)  
Hanna Gautun, [hanna.gautun@ntnu.no](mailto:hanna.gautun@ntnu.no)  
Cristina Andersson, [cristina.andersson@chalmers.se](mailto:cristina.andersson@chalmers.se)

**We look forward to meet you!**

Kay Gastinger, Director NorFab  
Thomas Swahn, Director Myfab  
Jörg Hübner, Director DTU Danchip  
Heini Saloniemä, Team Leader Cleanroom Operations VTT Micronova
